MACHINE**

About Us

We, Imatics, are a medium-sized manufacturer and supplier of industrial automation equipment and special purpose machines situated in Chennai. Since 2018, we have been providing bespoke factory automation on turnkey basis to a variety of sectors. Customers can avail Flexible Roller Conveyor, Semi Automatic Special Purpose Assembly Machine, Three Phase Syringe Making Machine, Three Phase Box Packaging Machine, etc. The products we supply are defect-free and made using the best components and latest technology. With the help of our logistics associates, we deliver the consignments to the doorstep of clients.

Imatics owns a modern production house in the prime location of Chennai, Tamil Nadu, India. Our product portfolio includes Robotic Assembly Line Machine, Industrial Three Phase Automation System, Three Phase Vision Inspection System, etc. We have touched the zenith of success and expanded our business at the international level because of our innovative ideas, quality products and excellent policies. Customers are even promoting our products by the word of mouth and this is the biggest achievement for a company. We are constantly researching for ideas that can help us to bring the best for buyers at reasonable rates.
