About Us

Pratibha Technologies is known in the market among the leading manufacturers and suppliers of Lead Free Solder Wire, Heavy Duty Solder Wire, Aluminium Solder Stick, Lead Free Solder Stick, Dross Powder, Industrial Thinner, and more. In order to ensure that these products turn out to be of top quality, we procure and use the best quality raw material from some of the most trusted vendors in the industry. These vendors are chosen after a lot of market research that is based on various parameters. The quality of our products is unparalleled, as our loyal customer base is testimony to that. Although it has not been long since our establishment, still our products speak for themselves due to their excellence and striking features.

Our products are highly efficient and available for our customers at competitive market prices. Going forward, we aim to expand our business venture and supply these products to more markets.
