About Us

Fabrics serve as a raw material for several industries and applications. Hence, they are always in great demand. Emphasizing the same, we, M K Textiles, stepped into the market in the year 2016, offering a range of White Silk Fabrics, Dyeable Crepe Fabrics, Chiffon Fabrics, Plain Satin Fabrics, and more varieties. Our products are widely recognized by a large number of customers and for the same reason, today, we are referred to as one of the notable manufacturers and suppliers in our domain. We credit our success to our professionals. They support us in carrying out all our business endeavors, successfully.

We, M K Textiles, operate from the textile city of India, Surat as a reputed manufacturing and supplying company. As our company name suggests, we deal in fabrics. Our wide offered product range includes perfectly woven Plain Satin Fabrics, Chiffon Fabrics, Dyeable Crepe Fabrics, White Silk Fabrics, and more varieties. The aforementioned products are manufactured at our world-class manufacturing facility by our experienced production specialists. These professionals are well-versed in the making of the offered product range. Only the finest quality raw materials are procured by them. As they understand well that only such raw materials are capable of producing a product range that is highly durable and possesses resistance to shrinkage and wrinkle. Moreover, they ensure flawless execution of the production process, yielding greater output.
