About Us

Mangla Plastic Industries boasts seven modern factories in a total area of 25,000sq yards. The company stays updated with the technology and is all set for expansion with other new factories in Bahadurgarh including four in Footwear Park Area and three in the MIE. Over 300 dexterous office staff perform tasks in the office to help us meet the market demands for various types of gumboots and shoes. To date, we have received seven certifications, and we are the only Indian company to have ISI certification in this genre.

Mangla Plastic Industries is one of the most reliable manufacturer, known for exporting a range of Shield Gumboot, Super Gumboot, Laser Gumboot, Sports Safety Shoes, Bullet Safety Shoes, and many others. These are made from quality checked materials by our skilled workers as per the industry set norms. The shoes of our company offer utmost protection to the feet while providing the comfort. In many standard sizes, designs, and specifications, we offer our shoes to meet the diverse requirements of customers. Moreover, our ethical trade deals make us a trustworthy company for customers.
