About Us

The progress of a manufacturing company can be demonstrated by the quality of products it offers to its customers. As a result, we, Shenzhen Emis Electron Materials Co. Ltd. have been able to set ourselves apart in the market by providing the highest quality goods as a manufacturer and supplier. We pay close attention to individual requirements of the customers and present them with the most appropriate solutions. Customers can get products such as Chassis Shielding Honeycomb Panel, Double Conductive Copper Foil Tape, Extruded Conductive Elastic Rubber, Industrial Precision Stamping Parts, Twisted Strips Series, Ferrite Round Magnet Sheet, etc., from us for far less prices than our competitors. The majority of customers admire our products due of their superior quality and moderate pricing.

The focus of our company has always been towards quality assurance and quick delivery of orders. We have the capability to ensure fast delivery of all orders placed by the customers. We also provide a complete range of quality inspection reports to ensure quality and reliability of our products.
