About Us

To help companies in reducing the labor cost, increasing profit margins and having efficiency in the works, our company, Superfine Packaging came into existence as a manufacturer. We started our journey in the 2013 for manufacturing Laundry Items Packaging Machine, Biscuit Packing Machine Confectionery Items Packaging Machine, Rusk Packing Machine, Bread Slicer Machine etc. High performance of these products has given us high popularity in the market. Assembling quality spares, components, motors and many other material, all the offered machines are engineered by our talented personnel. The large variety of packaging machines we offer are highly applauded in the industry owing to their minimal maintenance, robust construction, longer functional life and excellent working speed.

By regularly conducting R&D tasks and serving several packaging machines, we have expanded our business in food, detergent and other industries. Over the years, we have successfully installed our hi-tech machines in various markets of India.
