About Us

Machines and equipment have become essential part of our business. Therefore, it is important to choose the ones that ensures efficient performance and renders higher production rate. With passing time, the demands for industrial equipment has also been continuously increasing. Seizing the opportunity, we, Nexus Engineering, have commenced our business operations as a manufacturer, wholesaler and exporter of an ample array of Vibrator Tile Machine, Wheel Barrow, Brick Mold, Nexus Mild Steel Pallet Trolley, NTS-8 Nexus Top Press Fly Ash Bricks Machine and more of unmatched quality. Each and every equipment, we deal in is carefully developed, manufactured and quality-checked at our facility using top-of-the-machines to meet and exceed the customer expectations. Moreover, it is the persistent efforts of our employees for which, we have been able to suffice the requirements of our customers in every term, be it quality, quantity or delivery.

Cuttack, Odisha, India is the location of our company, Nexus Engineering, where we perform our business operations following a systematic work approach. This approach enables us timely complete our orders for Wheel Burrow, NTS-8 Nexus Top Press Fly Ash Bricks Machine, etc., without any hassle. Moreover, it is our honesty and transparency in business deals that attract our customers. Besides, we entertain all the feedback and suggestions of our customers, we aim to improve ourselves in the areas we lack. Thus, ensuring we attain complete customer satisfaction. Impressed by our work, not only our customers but vendors make long lasting alliance with us.
