About Us

Weighing is important in almost every industry, be it food, engineering, aerospace, automobile, pharmaceutical, or any other. The fact that weighing should be accurate makes all the difference in productivity. Needless to mention, weighing accurately is not a manual job, and requires smart systems with low to high weighing capacities based on different applications and requirements. Supporting companies based in numerous industries get accurate weighing results is Aastha Enterprise with its high-tech weighing systems. Our Vadodara (Gujarat, India) located establishment is working as a professional manufacturer, trader and wholesaler of Commercial Table Top Scale, Automatic Baby Weighing Scale, Electronic Digital Hanging Scale, Electronic Piece Platform Scale, Digital Personal Weighing Scale and numerous other products. Apart from this, we also work as service provider and offer Repairing Service of our offerings.

Our collection containing different types of weighing scales, from platform to hanging, table top, digital to many others is vital for carrying out mass measurement of diverse products, such as potatoes, gold, paper, etc., with appropriate precision. We have advanced weighing scales under our assortment to meet specific wants of laboratories, FMCG units, jewellers and others.
