

PRESENCE SENSING DEVICES

Customer Satisfaction Is Our Priority

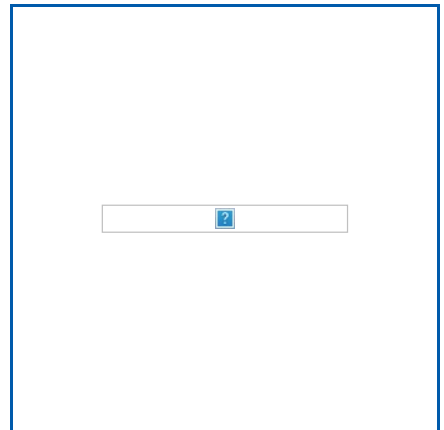

140F Fuse Holders, 140G Door Rotary Operator, 1494G Hazardous Location Safety Disconnect Switches, 1494U Universal Disconnect Switches, 15mm Plastic Safety Limit Switches, 1692 Block Style Electronic Circuit Protectors, 1694 Modular Electronic Circuit Protectors, etc.

RESIDUAL CURRENT DEVICES

HIGH-DENSITY CIRCUIT BREAKERS IEC CONTROL AND LOAD SWITCHES

About Us

J.R.M. Solution is famous in the market for providing providing a wide range of panels and services. We supply highly reliable MCC Panels, VFD Panels, PLC Panels, and PLC. In addition, we are famous in the market for providing programing service and engineering service. We hold expertise in providing end-to-end products and solution for specific industrial verticals such as minerals, energy, food and beverages, etc. We make available products of world famous brands such as Rockwell Automation, Siemens, Allen Bradley and many others.

With support of our facilities and staff, we have gained expertise in manufacturing top quality LED Display Boards including Logo Display, Pocket Display, Score Board, Moving Message Display, Multicolor Display, and many other display boards. We have successfully provided our products to a large number of customers, which testify to our expertise in the domain.

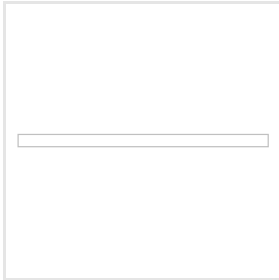

Key Facts

Nature of Business	Trader
Primary Competitive Advantages	moxa Industrial Network Infrastructure,Industrial Edge Connectivity,Industrial Computing,omron ,PLC, AC DRIVES, DC DRIVES, HMI, SCADA, COMMUNICATION CABLES
No of Staff	20
Year of Establishment	2010
OEM Service Provided	No
ProductRange	moxa Industrial Network Infrastructure,Industrial Edge Connectivity,Industrial Computing,omron ,PLC, AC DRIVES, DC DRIVES, HMI, SCADA, COMMUNICATION CABLES

Our Products

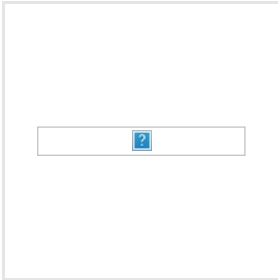

809S Current Monitoring Relay

Medium Voltage Bulletin 857 Motor And

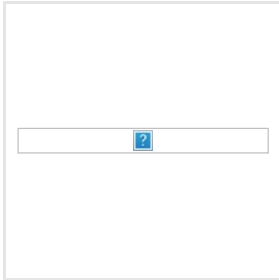

1692 Block Style Electronic Circuit

Metal Limit Switches

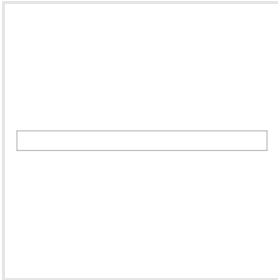

814S Power Monitoring Relay

140G Door Rotary Operator

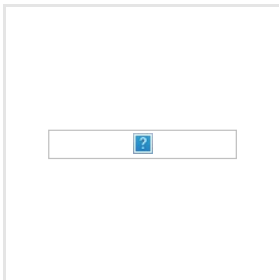

1694 Modular Electronic Circuit

DIN Rail Dataline Surge Protectors

Medium Voltage Bulletin 865 Motor And

140F Fuse Holders

NEMA Eutectic Alloy Overload Relays

1494G Hazardous Location Safety

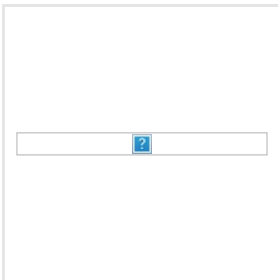

IEC Load Switches

1494U Universal Disconnect Switches

825-P Modular Protection System

813S Voltage Monitoring Relay
