About Us

In the year 2000, we, Bakelite Coatings & Paints Private Limited started our company as an eminent manufacturer and exporter. Our range comprises Stone Grace, Interior Wall Texture Sparkle, Light Design Tex, 21-0006 Wall Texture Flakes, etc. Surface Textures we offer are preferred owing to their incomparable features like ability to withstand different climatic conditions and their perfect finishing. All our creations are aligned to international quality standards and latest market trends. Our manufacturing facility comprises two plants in Telangana and we will initiate one enterprise soon in Himachal Pradesh. Supported by high end machinery and technology, our company has been able to create products in large quantity. Therefore, we do not hesitate to accept bulk and urgent orders. Our huge premises consists of several divisions like manufacturing, designing, R&D, QM and delivery. All the areas are handled by highly diligent and focused personnel. The prime objective of our employees is to maintain smooth flow in our business. Because of their efforts, we have become a leader in domestic and international markets. Our leaders provide the workers with a positive environment, where they can make the best use of their knowledge and skills.

Bakelite Coatings & Paints Private Limited is a part of Bakelite Hylam Group, which is famous all over the world owing to its quality standards and record of customer satisfaction. The Heritage Surface Texture Division has been associated with Bakelite Hylam Ltd. and was established with technical inspiration from leading Surface Texture manufacturer of Japan (U.M Corporation). It has been supported by strong R&D department that helps the company to supply high grade Textured Wall Covering Material, Resins and Varnishes. Bakelite Hylam believes in delivering complete value in return of the investment of its esteemed clients.
