About Us

Pragatkrupa Packaging Machine is a well-established and renowned company in the industry, widely recognized as a preeminent manufacturer, service provider, and supplier of cutting-edge packaging machines. We take pride in introducing ourselves as a dynamic player in the industry, completely focused on designing and developing innovative packaging solutions. Our offered range of Automatic Single Head Bottle Capping Machines, Shrink Tunnel Packaging Machines, Automatic Induction Sealing Machines, Bottle Shrink Sleeve Label Applicator Machines, Batch Coding Machines, and other products meets the demands and preferences of our customers across the nation. Each product is manufactured using quality raw components.

Fluent performance, high efficiency, a robust exterior, and remarkable durability are a few of the striking features that make our products stand out in the market. Over the years, with consistent hard work, we have flawlessly completed 115 projects and satisfied 148 clients. Our founder, Mr. Ashish Kathiriya, guides us at each stage to work sincerely, ensuring our commitment to excellence and customer satisfaction remains undying. Furthermore, we render reliable and prompt installation, repair, and maintenance services.
