## About Us

Regarding residential and Industrial Automatic Entry Systems, Bharat Trade Automation is dedicated to meeting all of our client's demands and requirements. We are proud to announce that throughout the state of Uttar Pradesh and the rest of the country, we are the go-to source for Portable and Automatic Tyre Killers, Rolling Shutters, and Parking Solution Entrance Automation. By envisioning, designing, manufacturing, deploying, and maintaining cutting-edge automation systems, we give our clients the tools they need to increase productivity and meet their industrial objectives. With the help of some youthful and highly experienced people, our company was launched in 2017 with headquarters in Ghaziabad. Both our sales and technical teams have received extensive training from industry experts in installation, commissioning, and problem-solving. Having our clients inquire about our services is something we much appreciate. When customers contact us, we happily send them a proposal tailored to their needs. We hope this proposal is competitive with what the customers are looking for and gives us a chance to show them our dedication to customer service and the highest quality products.

Boom Barriers, Parking Management System Entrance Ticket (card) Dispensers, Turnstiles, Flap Barriers, Gate Automation (Motorized) Sliding & Swing Gates Motor, Stainless Steel (SS) 304 or Mild Steel (MS) Sliding & Swing Gates are some of our products.

## Key Facts
