## About Us

Polite Plastic Products is an esteemed manufacturer, supplier, retailer, and wholesaler that started its operations from Indore, Madhya Pradesh, India in 1987. With our extensive industry experience, we have earned a reputation as a distinguished company in the market, offering a comprehensive range of plastic packaging products. Our product line includes the Jerry Can, Round Shape Blue Cap Plastic Can, HDPE Bottle, Plastic Milk Container, Round Burney with Handle, Crompton Plastic Fan, and many other products. These have gained immense popularity in various industries due to their quality-assured standards and dynamic features such as high strength, dimensional accuracy, robust construction, ability to bear high impacts, precise designs, reliability, and longer life.

At our in-house manufacturing plant, we design & develop these products using high-grade raw materials, sourced from reliable and trustworthy market vendors. We offer our products in different sizes, shapes, patterns, and colours, and also provide customized products to meet the specific requirements of our clients. Additionally, we offer products at the industry-leading prices and ensure timely delivery of orders to our clients. Our business operations are led by Mr. Manish Bulani (Proprietor). His vast industrial experience has helped us present an immaculate product line in the market and improvised the existing working processes and procedures.
