## About Us

Water heaters are installed in most of the homes, hotels, and guesthouses, especially in the places that experience winter season. They make water heating process, easy, simple and fast. Catering to the market demands for water heaters, we, Kashyap Sales & Service, are a prestigious company. We welcome you to our online platform and take great pride in being your reliable partner in water heating requirements. We operate as a manufacturer, trader, and wholesaler to supply a variety of water heaters such as Storage Water Heater, Elegance Prime Horizontal Water Heater, Elegance Prime Vertical Water Heater, and many others.

We have been running our business in the heaters industry since 1994 and have set many records of success and excellence. Our unmatched growth and success is credited to our zeal to innovation, unmatched product-line, customer services, and timeliness in delivery of every order. At our company, we accept even the bulk orders from customers and fulfill them with the same excellence. We follow strict quality control policy, which makes us deliver highly reliable, power efficient, and durable water heaters to customers in different models and technical specifications.
