About Us

Chamunda Pharma Tech is a trusted name in the pharmaceutical machinery industry, known for delivering innovative, reliable, and high-performance solutions. Based on a strong foundation of engineering excellence and customer-centric values, we specialize in the manufacturing and supply of advanced machines that streamline pharmaceutical packaging processes. Our product line includes Cotton Inserter Machines, Horizontal Sticker Labelling Machines, Measuring Cup Placement Machines, Induction Cap Sealing Machines, etc., all designed with precision and efficiency to meet the evolving demands of the industry.

We believe in integrating the latest technology with practical functionality, ensuring every machine delivers consistent performance and maximum productivity. We uphold stringent quality control standards at every stage of production, supported by state-of-the-art testing facilities and a highly skilled R&D team. Our solutions are widely appreciated by both domestic and international clients for their durability, easy operation, and low maintenance.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	bottle labeling machines,linear liquid filling machine,Monoblock Capping Machine,monoblock filling machine,Automatic Sticker Labeling Machine,Liquid Filling Machine,Linear Capping Machine
No of Staff	27
Year of Establishment	2007
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	15 machine
ProductRange	bottle labeling machines,linear liquid filling machine,Monoblock Capping Machine,monoblock filling machine,Automatic Sticker Labeling Machine,Liquid Filling Machine,Linear Capping Machine

Our Products

Semi Liquid Filling Machine
