About Us

Spearheaded by Mr. Chetan Mehta in the year 2005, we, VNM Hydrotek are one of the most renowned named in the Hydraulic sector. Armed with a commitment to serve our clients with 100% quality assured Hydraulic Pumps, Valves, Motors, Filters and Hoses, we have garnered a long list of customers and have embossed our name as a reputed trader, supplier and wholesaler/distributor in the Industry.

We are a recognized name in service since 2005. We showcase a wide range of Hydraulic Components, Industrial Hoses and Hydraulic Pumps And Valves. Today we are known as a reputed manufacturer, trader, supplier and wholesaler/distributor in the Industry. Our product list encompass a wide range of Directional Control Valves, Hydraulic Directional Control Valves, MP Filtri Filters, Sun Hydraulic Cartridges, Hydroline Filters and Tank Accessories, Hydraulic Accumulators, EATON Hydraulic Motors, GATES Hydraulic Hoses, Gates Industrial Hoses, Metal Flexible (BELLOW) Hose, Spica Directional Control Valves, Atos Pumps and Valves, Polyhydron Pumps And Valves, etc.

Key Facts

Nature of Business	Distributor
Primary Competitive Advantages	particle counter,high pressure filter,servo actuators,proportional valve,hydraulic proportional valve,servo valves,mobile valve,diverter valves,flow divider valve,gear motors
No of Staff	9
Year of Establishment	2006
OEM Service Provided	No
ProductRange	particle counter,high pressure filter,servo actuators,proportional valve,hydraulic proportional valve,servo valves,mobile valve,diverter valves,flow divider valve,gear motors

Our Products

Polyhydron Pumps

High Pressure Ball Valves

Dowty Pumps

Hydraulic Vane Pump

Hydraulic Accumulators

High Pressure Gear Pump

Quick Release Couplings

Atos Axial Piston Pump

Dowty Gear Pump

Dynamics JCB 3DX Pump

Atos Vane Pumps

High Pressure Ball Valve And QRCS

Walvoil Monoblock Valves

Tandem Pump

Hydraulic Hand Pumps

Polyhydron Radial Piston Pumps
