## About Us

In business since 1983, Usha Lubes Pvt. Ltd. has been catering to the demanding requirements of industries that involve the use of wire rope lubricants for over 30 years. With our innovation-oriented, progress-driven and customer-centric approach, Usha Lubes Pvt. Ltd. has grown to become a dependable and preferred supplier Wire Rope Lubricants & allied products. As a manufacturer, trader and wholesaler; we strive to provide our customers with the best quality products at the best possible price. Apart from our manufacturing activities, we are also the authorized channel partners of CONDAT (France). Our organization deals in CONDAT's range of Wire Drawing Soaps / Lubricants / Greases, Fire Resistant Hydraulic Fluids (FRHF). CONDAT is a globally renowned name in the field of lubrication technology with over 150 years of experience.

Additionally, Usha Lubes Pvt. Ltd. is the authorised importer & distributor of WIRELOCK in India & Thailand. WIRELOCK is the original cold socketing compound developed by U.K.-based Millfield Enterprises (Manufacturing) Limited. With time, we keep upgrading our resources, facilities, business management techniques and overall work approaches to stay relevant to the changing markets, and to ensure maximum levels of customer satisfaction.

Since 1983, our enterprise, Usha Lubes Pvt. Ltd. has been dealing in a variety of wire rope lubricants. Our sole intention has always remained to bring premium quality of products for the customers with which, the efficiency of their respective machinery or plants can be increased. For decades, we have formal tie-ups with CONDAT SA (France) and M/s Millfield Enterprises Ltd. (United Kingdom). With their support, we provide superior grade products to certain markets. Our offerings include Wire Rope Lubricant, Wire Rope Lubes, Wire Drawing Soap Lubricants-Greases (CONDAT) and Fire Resistant Hydraulic Fluids (CONDAT). Based in Kolkata (West Bengal), we have been fluently running our operations all across India.
