About Us

Engineering components are the lifeline of several industries all across the world. Advanced technology requires equally advanced technological components that aid in a quick and flawless manufacturing of products. Established in year 1985, Sudarshan Gears is a renowned ISO 9001:2000 certified concern, well known in its discipline for offering premium quality industrial components at cost effective prices. We are a manufacturer, exporter and supplier of hollow shaft zero backlash worm gear boxes, inline helical gear boxes, adaptor helical gear boxes, hollow shaft aluminium worm gear boxes, 3 stage inline helical gear motors, flange mounting inline helical gear motors, etc.

Our products find wide application in paper industries, textile industries, etc. We are also an importer of friction linings, bearings, brakes, steel alloy, etc. from trusted suppliers based in Korea, Taiwan, Spain and Germany. Our endeavor is to offer our clients highly sophisticated products that aid in their company's technological operations. The standardized products, replete with efficiency and speed, are exported to many overseas regions including USA and Canada. The company is also a noted member of the Indo-German Chamber of Commerce, one of the most notable trade organizations in India.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	parallel shaft helical gearbox,worm screw jack,crane duty gearbox,Inline herical gear motor
No of Staff	20
Year of Establishment	1985
OEM Service Provided	No
ProductRange	parallel shaft helical gearbox,worm screw jack,crane duty gearbox,Inline herical gear motor

Our Products

Helical Gear Motor

Brake Gear Motor

AC Geared Motors

Flange Mounted Gear Motor

Helical Geared Motor

Crane Duty Gearbox

**Crane Duty Gearbox
For Hoists Application**

Extruder Gearbox

Ratio Gear Boxes

**Custom Made Gear
Boxes**

**Helical Gear Box For
Crane Duty Application**

Inline Helical Gearbox

**Adaptor Helical Gear
Box**

**Helical Foot Mounted
Gearbox**

**Foot Mounted Helical
Gearbox**

**Foot Mounted Helical
Gear Box**
