About Us

We, Pushpak Products India Pvt. Ltd., are regarded among the top manufacturers, suppliers, and service providers of a wide range of Modular Kitchens, Industrial Benches, Corporate Workstations, School Furniture, and other products in the industry. All our products are designed as per the latest market trends and specifications given by the customers. Therefore, each product has a modern and attractive appeal while also exhibiting the highest standards of quality. We make sure that we leave no stone unturned in keeping up with the quality of our products. Only premium-quality raw materials sourced from reliable vendors are used in making the products. Further, our team of proficient professionals conducts several tests to cross-check the quality of each and every product. Only products that comply with the predefined quality standards are dispatched to the market.

Apart from the quality and attractive appeal, it is the strength and reliability that our products offer that are liked by our customers. All the products are longer-lasting and require either no maintenance or minimal maintenance.
