About Us

Offering Premium grade quality Brass Ceramic Cartridge, PCB Brass Terminal, Brass Nozzle, Brass Wood Screws, etc, designed by using innovative technologies.

Zenith Industries has been truly engaged in the design and manufacturing work of qualitative Brass Components, Brass Ceramic Cartridge, PCB Brass Terminal, Brass Nozzle etc since the year 1995. We as a core manufacturer, exporter and supplier have been placing profound efforts towards the finest quality of products. It is our sound knowledge of the domain, thorough work and clear-sighted approach that we have been able to set a successful position in the market. We look for new opportunities and employ new technologies to design a perfect range of Brass Precision Turned Components, ensuring fineness in every aspect like dimension, toughness, design, ease of install and longevity etc. Also, all our products like fasteners and other industrial components are fine with their precision design work and cost-effectiveness.

Our Brass Components are made of A-grade raw material like Brass, that ensure durability. Also, designed by using innovative technologies these are perfect in finish, shape, and size etc. Good corrosion resistance, fine finish, extreme tensile strength and dust-free nature are some main attributes of the Brass Components. Due to such features these are widely applicable in different industries such as Electrical, Electronics, Construction, Automobiles, Sanitary and other Industrial Applications. We significantly export our products to the markets of Asia, Middle East, UK and other European nations.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	brass socket pin,brass electrical pin,brass earrings,brass hex screw,brass knurling screw,brass grub screws,brass machine screws,brass male inserts,brass threaded inserts,brass moulding inserts
No of Staff	22
Year of Establishment	1995
OEM Service Provided	No
ProductRange	brass socket pin,brass electrical pin,brass earrings,brass hex screw,brass knurling screw,brass grub screws,brass machine screws,brass male inserts,brass threaded inserts,brass moulding inserts

Our Products

Brass Precision Turned Components

Copper And Brass Sheet Metal

Brass Press Round Nut

Brass Nozzle

Brass Regulator Parts

Brass Neutral Earth Block

Brass Electrical Components

Brass Electrical Terminal

Brass Ring Washers

Earthing Bus Bar

Brass Sheet Cutting Component

Brass Sheet Flat Washers

PCB Brass Contacts

Brass Sheet Pressed Parts

Brass Gas Elbow Fittings

Flush Type Cup Washers
