About Us

Sam Products Pvt. Ltd. was incorporated with the aim to serve the customers with honest deals and high quality products such as Air Curtains, Cleanroom Air Shower, Air Showers, etc. We work as per set industrial standards & norms to create a positive corporate image of our company and thereby win the trust of the valued customers. With our hard works & efforts, we have become one stop destination for sourcing optimum quality products of different categories within the minimum lead time. The company started its business operations in the year 1992 as a manufacturer and supplier of varied line of products for different industrial usage.

Our quality tested range of clean room products includes Fan Filter Units, Air Cooling Systems, Air Curtains, Air Showers, Clean Room Supplies and Clean Rooms etc. All these products are designed and developed following good manufacturing practices and in accordance to the CE certification policies. Our high ethical standards and a truly global vision has guided us towards a greater growth curve. We have established a modern infrastructural premise, which is sprawling over a large area. This houses various specialized facilities for product designing, manufacturing, quality testing, in-house research & development facilities, etc. In addition to this, we have hired a team dexterous professionals, which is smart working and customer & quality conscious.
