About Us

Prime Steeltech (I) Pvt. Ltd. is a highly professional company based in Mumbai, and supported by self employed technocrats who design and supply a whole assortment of Steel Scaffolding, Shuttering Material, Steel Spans & Props, Cuplock Scaffolding, Shuttering and Form-work Systems, Components and Accessories using native technology and expertise. Embracing the strategy for bucking up our fabrication ability, in the higher spirit of quality optimization, we manufacture different configurations of Steel Scaffolding that guarantees excellent overall stability and higher-strength joint of Scaffolding.

We offer total solution to the areas of fabrication, design, supply, hire and erection for all types of scaffolding for application to a wide array of civil structures including nuclear power projects, flyovers, bridges, multistory residential & commercial buildings, refinery projects, power plants, boilers, and cement plants etc. It is because of our innovative quality-control management including prototype testing performed on frames and sub frames of Steel Scaffolding with the help of computer analysis in order to determine the load carrying ability and buckling capacity. Scaffolding Systems & Accessories are truly effective and helpful in the construction, repair & maintenance of buildings, bridges, and other man-made structures. We design, engineer and provide safe scaffolding products for today's challenging projects. They can also be used in adapted forms for form-work and supporting etc. Our steel pipe scaffolding is manufactured to improve durability, support & longevity. Also, we keep up with various standardized lengths, and other specifications.

Key Facts

No of Staff	25
Year of Establishment	2011
No of Production Lines	1
OEM Service Provided	Yes

Our Products

Tubular Scaffolding Fittings

H Frame Scaffolding

Round Lock Scaffolding System

Wedge Lock Scaffolding System

H-Frame Assembly

APS Unit Scaffolding System

Stainless Steel Scaffolding

Scaffolding Props Jack

Scaffolding Pipe Fittings

Pipe Support

Vertical Scaffolding Pipes

Construction Scaffolding Pipe

Ledger Scaffolding Pipes

Steel Scaffolding System

MS Scaffolding Pipes And Tubes

Scaffolding Pipes
