About Us

With the promise to supply the best quality LED Lights, we, Shrida Enterprise, emerged as a prominent manufacturer. Our huge variety includes RGB Underwater Light, Fountain LED Light, Underwater LED Light, Nozzle Mount LED Light, Swimming Pool LED Light, Waterproof LED Light etc. These are loved for their quality as well as long life. To manufacture our range we use the best grade components which are responsible for the exceptional features of our LED lights such as no imitation of ultraviolet rays. Our offerings are Eco-friendly and do not produce a large amount of heat like ordinary bulbs as well as mercury lights. Global warming is not an issue to ignore and as a responsible enterprise we give our contribution to save the environment from that.

As we want maximum number of customers to opt our LED Lights we offer them at highly reasonable prices. We are a manufacturer that thinks of the society before anything and for their benefit we strive to supply the best solutions
