About Us

Founded back in the year 1998, we, Akshay Industries, have been successful in emerging as a reliable manufacturer and supplier. Our company is specialized in making products like Electric Air Compressor, Four Head Pet Bottle Filling Machine, Semi-Automatic 2 Head Pet Bottle Soda Filling Machine, Pneumatic Glass Bottle Soda Filling Machine, and much more. Being a trustworthy entity, we make sure to test our products on different parameters like corrosion resistance, durability, resistant to water & dust, dimensional accuracy, strength, etc. Our entire range of products is manufactured using fine quality material, which we procure from the trusted vendors of the market. We also offer spare part of our machines as well as their services. We have hired a squad of highly experienced people and each one of our experts work with perfection. Apart from our quality products, our ethical business approach and cost-effective solutions have also helped us in gaining huge appreciation from the customers.

Akshay Industries is known as an experienced entity which supplies Pneumatic Glass Bottle Soda Filling Machine, Semi-Automatic Bottle Filling Machine, Semi Auto Single Head Glass Bottle Soda Filling Machine, etc We are a trustworthy firm that offers best in class items at market leading rates. From the selection of inputs to the delivery of end products, utmost care is taken by our experts. The owner of our company Mr. K. Aijith Kumar has framed impressive business policies, considering the expectations of the esteemed customers. We carry all our business activities from our manufacturing house located in the city of Coimbatore, Tamil Nadu. Since 1998, our products have become the prime choice of buyers throughout the market and we are very proud of what we have achieved so far.
