About Us

Branding of any product is as important as the product itself. The labels and Name plates have the potential to increase the worth of the product by many folds. Most of the time it must meet a very high standards of quality so as to be accepted. Shivlik Enterprises is a manufacturer and exporter of Labels, Name Plates, Logos and many more branding products as mentioned here. We produce a variety of products with high standards of quality which are customized. Our strength lies in Quality, Expertise and our wide range of products.

SHIVLIK ENTERPRISES established in 1996 tops the list of prominent label and Name plate manufacturers today. Any product branding is just as significant as the product itself. The name plates and labels have the potential to significantly boost the product value. Most time, it must meet extremely high quality criteria to be accepted. Shivlik Enterprises, as said, is an exporter and manufacturer of name plates, logos, labels, and other branding-related products. We manufacture a wide range of customised items with high quality requirements. Our strength lies in Quality, Expertise and our wide range of products.
