About Us

Monotech Enterprises is an organization founded by Mr. Gian Dhawan in the year 1999. It has been a story of great struggle and hard work by the founder, along with his helping hand Mr. Nikhil Dhawan (Son) in forming this establishment. The satisfaction of doing something for others, so that everybody stands on their own feet gave birth to Monotech Enterprises.

The corporation is engaged in producing products like Polymer Stamp Making Machine, Flash Stamp Machine, Flexo Photo Polymer Plate Heating Machine, Rubber Stamps, Nylon Flexo Printing Block and many other products. The process of making and using stamps is an ancient one, but in modern times the procedure of making better products has resulted in development of innovative machines branded by DEN and Monotech. These brands also offer Rubber Stamps, Flexographic Photopolymer Plates (used for Printing Poly Bags, Corrugated Boxes & Advanced Printing Technology).
