About Us

No Frills Sports Tech LLP (NFSporTech) is a technology-driven sports firm that provides top-notch customer service along with infrastructure, specialized gear, and personalized apparels mostly for tennis and cricket at fair prices. One of the sectors in India that is expanding the fastest is healthcare, with sports and fitness in particular. Due to its old business structures and lack of organization, the sports industry has an inefficient product and pricing curve for customers. With our tech-based solutions for the distribution of sporting goods and the construction of top-notch sports infrastructure facilities, we hope to transform the market. SG Cricket has chosen NFSporTech.com as a preferred partner.

Our brand, NFSporTech is inspired by the institution Colonel MM Nehru. He has changed the lives of around 50,000 youngsters of the country by helping them to become more effective in life, since 2015. He is a hardworking soldier who is working very passionately with No Frills Sports Tech LLP to make a positive difference.
