## About Us

A company specializing in different products, and that too with the support of master professionals, is sure to make an impact in the market. Diversity in a company's product range shows its growth beyond limited technological frontiers. This is what we exactly are famous for. We, Rajesh Electricals & Engineering Works, are a leading manufacturer and supplier offering the best of Scientific Instruments, Laboratory Instruments and Industrial Heating Instruments such as Furnaces, Ovens, Thermocouples, Sensors, Industrial Heaters, Heat Treatment Furnaces & Ovens, Temperature Controllers, etc.

Our in-depth technical knowledge enables us to design and develop products as per the requirements and specifications of the clients. We quote nominal price for every product and maintain timely product delivery for total customer satisfaction. Our client list covers Defence Organizations, Research Institutes, Educational Institutes, Chemical Industries, Engineering Industries, Rubber Industries, amongst others.

## Key Facts

<b>Year of Establishment</b>	1980
<b>OEM Service Provided</b>	No

## Our Products

**Testing Chamber**

**Electrode Baking Oven**

**Post Curing Oven**

**Precision Oven**

**Core Drying Oven**

**Bearing Heaters**

**Industrial Furnace**

**Low Tempering Oven**

**Flux Baking Oven**

**B.O.D Incubator**

**Trolley Oven**

**Calibration Bath**

**Tube Furnace**

**REEW Open Dying Pot**

**Lab Muffle Furnace**

**Clay Moulding Oven**
