## About Us

It was in the year 2000 that an aspiring entrepreneur- Mr. Shahab Syed made his imagination to start a hoses fabricators business a reality with Euro (India) Hose System. He started a small workshop installed with requisite production machinery and manpower to develop Hoses. With huge investments made in infrastructure, he gave equal importance to necessary skills to run a company and that are a flair of innovation, market knowledge, multi-tasking ability, and an analytical mind.

The Manufacturer and Supplier in nature, company is meeting all the orders for Rubber Braided Hose, Spiral High Pressure Flexible Hose, Thermoplastic Hoses, Jack Hose and related hoses of companies in Ahmedabad and nearby areas. Generally, start-ups fail within the first year, but, our company is in it's 17th year, and is steadily and firmly growing from ground up. Over the years, the infrastructure, manpower and product portfolio has expanded. The Hoses range now includes a variety of Hose Pipes, Hydraulic Hoses and Automotive Hoses.
