About Us

Having the experience of more than 10 years, we, Apricot Vintrade Pvt. Ltd. are trusted by customers for our consistency in supplying exceptional solutions. The range our company deals in consists of 12V DC Fan, MNX -32 Schneider Electric Contactor, Electrical Tapes, Electrical Switches, Clamp Meter, Safety Shoes, Electric Cable Tapes, Electric Ring Lugs, etc. These products are highly admired and preferred because of their incomparable quality. We also offer items like Face Mask, Safety Shoes and Safety Jacket. The offerings are manufactured by our reliable partners who are famous in the industry for their contribution in creating high in class solutions. Association with such companies have made us an eminent trader and supplier. We are trusted because of our huge experience and reputation in markets. The positive image our company has today is the result of the hard work of our workers. They manage various operations like procurement, quality control, warehousing and delivery. A separate team in our premises works day and night to resolve the queries of customers. Because of the diligence of our team members, we have achieved enormous success. The team gives its best to ensure hassle-free trade with customers of all the major markets. We are thankful to our workers for their contribution in our success story and expect similar support from them in future also. Further, we have the dealership of Superflex Cable, Power Master Transformer and Balaji Solution Engineering Products who deals in Welding & Safety Products.

Established in the year 2007, we, Apricot Vintrade Pvt. Ltd. are trusted as a trader by thousands of customers all over the country. They are served by us from Kolkata, West Bengal (India), where our premises has been situated. We deal in a huge range of items like Face Mask, Safety Jacket, Electrical Wire, Clamp Meter, Push Button, PVC Ties, Copper Ring Lugs, Bussmann Fuse, Power Transformer, etc. All these items are obtained from reliable manufacturers famous for their quality standards. Our partners have helped us acquire a leading position in markets. We have been managing a huge distribution network which is constantly expanding. Our company has been spreading its business in newer territories and we are getting very positive response from there.
