About Us

Owned by Mr. Amardeep Singh, our company, Lamco Transformers Private Limited, is highly reputed as a trusted manufacturer and supplier in the industry. We are recognized as reliable partners offering a wide variety of Three Phase Oil Filled Transformers, Electrical Transformers, Solar Transformers, Electrical Distribution Transformers, and other products. Our products are the meticulous creation of our team of talented experts. Each product is a testament to true craftsmanship and extensive industry expertise. For their durability, affordability, functionality, resistance to corrosion and shock, and lower maintenance, customers from all over the country choose our products.

Making us their prime choice, they do not leave a chance to initiate positive word-of-mouth for us. Therefore, we consider their unwavering support and appreciation to be the keys to our success. Additionally, we make sure to never forget to credit the consistent hard work of our profoundly talented professionals.

Lamco Transformers Private Limited is a Pune (Maharashtra, India)-based manufacturing company specializing in an extensive range of Electrical Distribution Transformers, Solar Transformers, Electrical Transformers, Three Phase Oil Filled Transformers, and others. We also fulfill the responsibilities of a service provider and render reliable Power Transformers Testing Services, Transformer Oil Filter Services, and more.
