About Us

We are NABL Accredited Laboratory as per ISO/IEC 17025:2017 and is established by Enriched Experienced Technocrat by JITENDRA DAVE / BHARGAV DAVE in the western part of the India, Vadodara. We have state-of-the-art Testing Facilities for Various Metal Testing & Metallurgical Testing, which allows us to cater the needs of customers in the fast changing era. Both have vast experience (i.e.14 years & 9th NABL Accreditation) along with excellent track record of Efficient Management of NABL Accredited Laboratory. This ensures in high customer satisfaction.

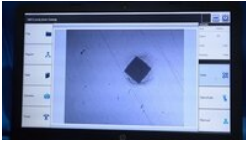

Advance Metallurgical Services was established by Technocrats, Mr. JITENDRA D.DAVE / BHARGAV J DAVE with Intension to have NABL accreditation with state of art Testing Facilities for Various Metallurgical Testing services. Now I have withdrawn my partnership from Advance Metal Testing Laboratory & now establishing the New Laboratory set up namely Advance Metallurgical Services at Vadodara, as Individual capacity. Our Main Objective is to provide Speedy, Reliable, Trustworthy and Ethical manner to the customer, to achieve their targeted production. Stay in competitive Market by way of speedy production with low inventory cost. Jitendra D. Dave is B.E (.Mech), PGDBM, AMIE, Chartered Engineer, Lead Auditor, having 37 year of working Experience of Various Engineering Field, Management & Technical Consultant also as System consultant & third Party Surveyor including 9 years as a Entrepreneur NABL Accredited Laboratory (Renowned name in testing). Bhargav J. Dave is (son of Jitendra D.Dave) in Diploma Automobile Engineering/ B.E.Mech- Final Year, having more than 5 years of Experience of Laboratory in the Field of Specto Chemical Analysis Testing, PMI Testing at site, Physical / Mechanical Testing, Metallurgical Testing, Marketing, Exposure to NABL (ISO/IEC:17025:2005) Quality Management as Laboratory In charge (Total Laboratory Management)

Advance Metallurgical Services is Intend to future need of testing to various projects like All Engineering Industries, Oil & Gas Based Industries, Atomic base Industries, Automobile Industries, Power sector Industries, Fiber / Resin Base Industries, Electrical Industries. Rolling Mill / Forging Industries / Foundries / Tube & Pipe Manufacturer / Various type of Fabricator / Vessel Manufacturer / Pipe Fitting Manufacturer / Fire & safety Equipment Manufacturer / Panel Board manufacturer/ All Small Scale Engineering Set up / all Government Organization as per their need like Defense, GETCO / MNC organization Corporate sector Industries like IOT Anwesh,L&T, Siemens, Alstom, Schneider, Reliance, GSFC, GNFC, Suzlon, Adani Group, etc., in the market. Market are defined as all engineering Unit located in Vadodara & surrounding GIDC, Surat & surrounding GIDC, Ankleshwar,Bharuch & Dahej & surrounding GIDC &, Bharuch / Dahej & surrounding GIDC, & All Engineering in GUJARAT, etc. Testing service will be provided as per customers needs.

Key Facts

Nature of Business	Service Provider
No of Staff	10
Year of Establishment	2014
OEM Service Provided	No

Our Products

Vickers Hardness Test

Compression Testing Services

Hardness Testing Services

Metals Spectrochemical

Physical Tensile Testing Services

Metallurgical Testing Services

Mechanical Testing Lab Services

Rockwell Hardness Testing

Impact Testing Service

Metallurgical Testing Service

Spectro Testing Service

Tensile Testing Service

Industrial Tensile Testing Service

Impact Testing Services

Universal Testing Machine

Rockwell Cum Brinel Hardness Tester

ADDRESS

**A1-256/12, Near Bank of Baroda,
GIDC, Makarpura, Vadodara,
Gujarat, India (390010).**
