About Us

With thorough knowledge of the industry, we, Anya Surgical and Healthcare Enterprises stepped our foot in business in the year 2011. We seek to grow in this domain by continuing to develop an impressive range of products such as Baby Warmer, Examination Couch, Hospital Chairs, Baby Cradle, Hospital Trolley, Hospital Furniture etc., to meet specific needs and applications. As a responsible exporter and supplier, we understand the importance of maintaining long lasting relationships with clients. We work hard with dedication and go extra miles to ensure their requirement is fulfilled and everything is covered as per their desires. Irrespective of the diverse budget constraints, we ensure we make our products available at nominal prices. Further, our vendors team of professionals help us fulfill orders timely and precisely. We make sure to keep them up-to-date on industry advancements and product developments.

We seek to enhance our productivity by continually upgrading our infrastructure with modern technology. Manufacturing, quality testing, sales and marketing, packaging etc, are some divisions which collectively help us in completing bulk orders of Examination Couch, Hospital Trolley, Hospital Chairs, Baby Warmer, Baby Cradle, Hospital Furniture etc., with much ease and efficiency. Continuous power back up ensures seamless production cycle.

New Delhi based Anya Surgical and Healthcare Enterprises is a Sole Proprietorship company dealing in hospital products and equipment. We have strengthened our position in this segment by developing a bespoke range of Baby Warmer Ortho attachment, ICU Bed, LED Light, Hospital Bed and more. Assured of durability and reliability, our products are widely popular in the national and international markets. We seek to expand our business in the global market by improving our existing products and adding new products to our portfolio. Besides, Mr. Prashant Shankar is the man behind our growing prominence; his knowledge and expertise of the sector has helped us scale new heights.
