About Us

Sat Guru Health Care Private Limited is a company of strong business values, beliefs and principles. From the year of inception, we have been showcasing our expertise in making Surgical Cotton, Medical Textiles, Hospital Furniture's and Equipment, Medical Consumables etc., with perfection. In different specifications range is manufactured to meet diverse requirements of clients. For a company to win a large customer-base, strong intention to provide quality is the foremost factor. We, are happy to have this intention as our purpose of business inception. To provide quality medical supplies, our business unit has come into being as a manufacturer.

Our association with reliable vendors help us to get quality base materials for production of offered products. We value importance of quality for our buyers which is why we select only those vendors who are involved in quality production process. Our association with the best in terms of base material sourcing and shipment network helps us to leave a great impression on our clients. We carry out business deals ethically and complete orders in a less time frame.
