About Us

Paratech Industries is a reputed manufacturer, supplier, and exporter that specializes in the design of high-quality laser soldering and welding machines for the jewelry sector. Having years of experience in the industry, we provide various kinds of developed machinery, including Jewellery Laser Soldering Machine, Laser Spot Soldering Machine, Desktop Jewellery Laser Soldering Welding Machine, and Param Laser Soldering Machine Jewelry Laser Welding Machine. Our products are designed and manufactured to provide precision, reliability, and efficiency for impeccable results with intricate jewelry designs.

Our pursuit of innovation keeps us improving our machines by implementing new technologies that improve their general performance and functionality. Quality control is applied to all material selections and constructions of our machines to ensure durability and lasting reliability. As a respected name in the trade, we established ourselves solidly into the market within the country and overseas. We are proud to present ourselves with an exemplary level of customer service for detailed responses given to our customers concerning the assembly, operation, and servicing of our machines.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	CO2 LASER MARKING MACHINE,co2 laser cutting machine,co2 laser engraving machine,FIBER LASER ENGRAVING MACHINE,fiber laser marking machine,ATTA PLANT
No of Staff	13
Year of Establishment	2010
OEM Service Provided	No
Memberships	n/a
ProductRange	CO2 LASER MARKING MACHINE,co2 laser cutting machine,co2 laser engraving machine,FIBER LASER ENGRAVING MACHINE,fiber laser marking machine,ATTA PLANT

Our Products

Colour Laser Marking Machine

Glass Laser Marking Machine

Valve Laser Marking Machine

Door Hardware Laser Marking Machine
