## About Us

We, Lord Krishna Pad Printer, began operations in 2003 and today we are one of the top manufacturers and supplier of Automatic Pad Printing Machine, Pad Printing Machine Cliche Plate, Screen Pad Printing Inks, Liquid Printing Pad Solvent, etc. We have the most up-to-date machinery at our manufacturing facility, allowing us to produce the highest quality items. A group of quality controllers works for us as well to carry out various quality tests. Additionally, to effectively manage the various units, we appointed highly qualified individuals.

Utilizing the most recent technologies, we take into account our clients changing needs and provide them with the best products possible. Our products are known for their resilience to heat and abrasion as well as for providing excellent printing results because they are manufactured using the most recent technology. Our goods are renowned for having longer useful lives since we only use basic materials of the highest quality. We can also fulfil huge orders because of our large manufacturing capability. Customers who have placed their trust in us have always received value for money and we will continue to bring the best for them.

Hardworking and knowledgeable team acts as one of the major backbone of the company. We at Lord Krishna Pad Printing also have strong team of professionals who work hand in hand with each other to meet organizational goals. Their expertise enable us to accomplish various tasks with perfection. Some of the members of our team comprise of engineers, designers, technicians, administrators, quality analysts, marketing executives, customer care executives, researchers and developers, material & processing experts who are the real hearos of our success.
