About Us

Get the best products & services like Ayurvedic Knee Cartilage Curing Tablets, Herbal Pharma Franchise In Goa, Ayurvedic Ayush Kwath Tablets, etc. At Satyam Health Care, we are grateful to the customers for their interest in our products. Classical (Shastrokta) and Ayurvedic Proprietary remedies are manufactured by us in ISO and GMP compliant manufacturing facilities. Our product portfolio speaks about outcomes. We, on the other hand, do not speak about ourselves. Products and services related to healthcare are always on the rise everywhere in the marketplace and our company, Satyam Health Care has been able to satisfy them with our highly efficient range. We started our company more than a decade ago in the year of 2010 and since then have topped the market as a notable manufacturer, supplier and service provider of a diverse selection of healthcare based goods & services.

We, Satyam Health Care, are an ISO 9001:2015 and GMP certified manufacturer of Ayurvedic Proprietary & Classical (Shastrokta) medicines which includes Capsules, Tablets, Herbal Beauty Products, Oil, Syrup, Guggal, Churna, Vati Gutikas, etc. We source best quality raw herbs and process them at our own facility to get active ingredients such as Ghan & Churna which are used in the production of Proprietary & Classical (Shastrokta) Medicines. Our customers know very well that our offered medicines are effective and provide them better results because we believe in quality only. Our products incredible results speak about their performance itself, and we do not require to mention it. Our tablets and capsules contain 475 mg to 500 mg of active ingredients whereas Classical (Shastrokta) Pills & Tablets contain 350 mg to 500 mg of active ingredients. We are committed to provide our customers with quality products made by using high grade ingredients which are processed at our in-house plant. It reflects our strong commitment towards offering only the best to our clients.
