MS ALLOY STEEL

About Us

Mascot Steel Center is an ISO 9001-2015 company that holds a dominant place in the market for premium Tool & Alloy Steel, Hot Die Steel, High Speed Steel, Cold Work Tool Steel, Plastic Mould Steel, EN series Steels and Stainless Steel. Our company is certified and dates back to 1974. We provide for the requirements of all engineering, automotive, plastic mould, threading, cutting aluminium extrusion, bearing, refractories, defence, railroad, and roll manufacturing industries. We purchase materials from the top manufacturers worldwide and deliver them to most businesses in India. We work hard to keep our clients cutting-edge now and in the future. Our standards are established by the demands of the customers. We constantly strive to provide them with the best speciality steel solution to satisfy each of their needs in the desired quality, the required precision, and the specified time in the needed quality.

Regardless of the size of the order, we can quickly fulfil the specific requirements of our customers thanks to our cutting facilities. We are quality-driven. Our motivated efforts and productive employees have helped us build a strong image. Our products, the majority of which we can offer EX-Stock, are priced very favourably and come in a range of quality and materials. As a result, we kindly ask our clients to add us to their list of preferred suppliers and send us their esteemed inquiries whenever needed with a test certificate from the government-approved lab for the substance mentioned above. Progress over the past four decades has repeatedly helped us realise that, in addition to offering superior products, our ability to comprehend customer needs and provide the highest level of customer service sets us apart from competitors.

Key Facts

Nature of Business	Importer
Primary Competitive Advantages	die blocks, spring steel flat, spring steel sheet, plastic mould steel, hchcr steel, hot die steel, high speed steel, alloy steel,
No of Staff	9
Year of Establishment	1974
OEM Service Provided	No
Memberships	NA
ProductRange	die blocks, spring steel flat, spring steel sheet, plastic mould steel, hchcr steel, hot die steel, high speed steel, alloy steel,

Our Products
