About Us

S P Technomac offers solutions for agriculture, horticulture, landscaping, forestry, cleaning, piping, housekeeping, drainage cleaning and a variety of other industries. We are a proud distributor for world-renowned brands such as MTD, STIHL, ROTHENBERGER, and Vinka, which operate in the aforementioned industries. We believe in offering solutions for client requirements with our best service capability, and we have been successful in gaining our customers trust to some level with our prompt and timely service. Our goal is to always be one step ahead as a supplier and exporter in meeting the needs of our customers associated with Walk Behind Scrubber Dryer, Flower Planter, Liquid Phenyl Cleaner, Walk Behind Manual Road Sweeper, etc.

Our products combine cutting-edge technology with high performance, a comfortable ergonomic design, and low weight. Both man and the environment benefit from these features. Chainsaws made by our associates STIHL in a variety of equipment configurations and for a variety of applications. Our extensive industry knowledge enables us to provide outstanding services to our valued customers that are tailored to their specific needs. Our entire service offering is tailored to our clients individual requirements and can assist in the creation of a pleasing and appealing atmosphere. Customers adore them for their attractive designs and high-quality finishes. These are high-quality products that are supplied within a particular time frame.
