## About Us

Our Company, S. K. Gupta Pvt. Ltd., is committed to supply supreme quality products. We provide best possible solutions as per the strict requirement of our customer. Having experience of more than six decades, with several industries and a strong bond with our clients, we always try to come with some more innovative and better technology, which help our customers in living a better life.

SKGPL is also known as SKG which is a well-established business house having strong principles and sound financial position. In spite of successful diversification, the core business of our company has always been and even today is refractory. S.K Gupta Pvt. Ltd. is one of the most knowledgeable refractory manufacturers, exporters and distributors of a wide range of refractories and allied products including Whytheat K Castable, Fire Crete Super Castable, Accmon 45 Low Cement Castable, Fire Brick, Grouting Cement / Fast Setting, etc. It has been more than six decades; that our company is successfully catering to the requirements of varied industries like cement, chemicals, iron and steel, glass, thermal, power, etc.
