About Us

One among the prominent manufacturers, exporters and suppliers of an extensive range of quality Plastic Containers, Tamper Proof Caps and Bottles, we, Usha Poly Crafts (P) Ltd., are efficiently catering to the requirements of a large clientele since the year 1975. Our product range includes Dropper Bottles, Dry Syrup Bottle, Lotion Shampoo Bottles, Pesticide & Chemical Bottle, Tablet Container, Bulk Tablet/Capsule Container and others. These are available in the various sizes, colors & thicknesses and are known for superior quality and cost effective prices. These products are widely used in packaging and pharmaceutical industries. All of our products are manufactured using pharmaceutical grade density poly ethylene, high density poly ethylene, poly propylene and low density poly ethylene. All our products are light in weight, superior strength and durable.

To support our production activities, we have backed ourselves with a well developed infrastructure, which comprises manufacturing unit, warehousing unit, R&D unit and quality testing unit. These units are equipped with advanced technology based machines, which allow us to maintain a high production capacity to suffice the customers demand. All these units are manned by a team of experienced professionals, which has immense industry experience. Apart from having a strong infrastructure and a competent workforce, our other highlighting aspects are timely delivery of consignments, ethical business dealing and competitive prices.
