About Us

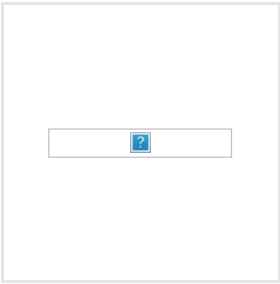

Energie, equipped with a large range of sports and fitness products, is serving to the diversified needs of clients in the country. With our expertise and streamlined production activities, we have acquired a reputation of leading manufacturer, supplier, trader and service provider. We are reckoned for showcasing an exemplary range of quality proven Fitness Products, Sports Products & Apparels, Sports Courts (Tennis, Badminton, etc.), Children's Park and Playground Equipment, Amusement Park Exhibits, Swimming Pools including pre-fabricated pools, Commercial Treadmill, Exercise Treadmill and more.

To serve our clients with world class solutions, we have developed a team of highly qualified and proficient employees. All activities initiating from designing supplying of material until final execution are conducted under their expert guidance and supervision. Experts in their domains, they assist us in providing electro-mechanical component of a swimming pool with installation as per the requirements. Besides, our pre-fabricated swimming pools find vast applications in small hotels, resorts, and individual bungalows. We have grown under the guidance of Mr. Sandeep Bhutani and Mr. Debabrata Das. Their experience and management skills have helped us garner remarkable accolades and tremendous success in the industry.
