About Us

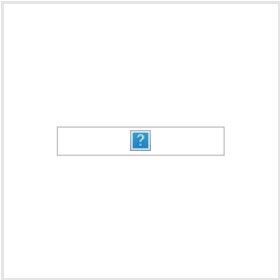

Shreeji Enterprises has been able to carve a niche in the market on the basis of excellence, high quality, fair rates, impressive working approach and many more attributes. We are being counted among top manufacturers and suppliers of Graphite Packing Seals, Stainless Steel Bolts, Polyester Bag Slings, MS Rod, etc. Every raw material is personally checked by us to ensure their quality and only then are they used in the production process. We believe in the well-known saying that hard work never goes unrewarded and we have proved this in our case as well.

We have backed ourselves with the best machines that help us in the manufacturing process of the products and in giving them fine shape. The installed facilities are upgraded timely so that we can boost our output and get better results. Also, we have excellent policies that help us impress our customer base and develop a long term bond with them. Our transparent dealing has become one of the major reasons because of which we have been able to attract a wide customer base towards us. We are happy that in the market where the competition is extremely tough, we have been able to come a long way.
