About Us

A reputable name in the industry to avail of premium-quality investment casting products, Huston (India) Pvt. Ltd., is a West Bengal (India)-based company. Owned by Mr. Soumen Kumar Dutt, our company is setting benchmarks as a trustworthy manufacturer and supplier in the market. With the continual backing and guidance of Mr. Dutt, we strive to achieve excellence across all our business operations and deliver a product range that is unique and desirable. Each of our offered Seat Disc Investment Casting, Bruss Holder Investment Casting, Forging Bearing Race Investment Casting, Meter Body Investment Casting, and other products is quality-assured. Extensively tested on varied industrial parameters before dispatching to the market, the products prove to be worth the purchase.

Furthermore, we go the extra mile to ensure that our valued customers enjoy an experience like never before at our organization. All their requirements are met on time while exceeding their expectations and strengthening their trust in us.
