About Us

Liberty Metal & Machines Private Limited is a famous Importer & Stockist of Used Conventional & CNC Machine Tools based in New Delhi, India. The parent company of Liberty Metal & Machines Pvt. Ltd. was established in 1981. The company is directed by leadership of Mr. Mohan Lal Jain who has a versatile experience of more than 40 years in the Steel Making and Machinery business. Initially engaged in the manufacturing & trading of Rolling Mill Machinery and Rolls for Rolling Mills, the company is now solely focused on importing and trading of Used Machine Tools.

Since its establishment, the company has transformed the Used Machines trade in India by offering all machines in working condition & transformed the selling these through working videos. The YouTube channel of company has the maximum number of subscribers in Used Machine Tool trade in the world. All the machines available in stock are definite genuine direct import machines. Detailed working video of the machines are available to allow the buyer to judge the machine thoroughly. All machines are offered in ready to use working condition. The warehouse is located in Mundka, New Delhi, India. It is connected through the Delhi Metro network and is around 1 hour drive from both Delhi Airport and from New Delhi Railway Station.
