About Us

Advaita Associates is a notable Trader and Supplier of Powder Coating Gun, YBI Semi Synthetic Cutting Oil, Industrial Powder Coating Powder, etc. We provide products of the brands of Gema and YBI to the market for catering to the needs of dry finishing processes. As these products need precise engineering and designing to meet the powdered coating demands of the industries, we source them from the leading names of the market. The vendors use high-quality raw material and modern machines in the development of the products to provide productive, user-friendly and efficient products. Whatever is the volume required by the clients, we are ready to serve them efficiently and quickly. Our huge storage facility enables us keeping products in bulk and delivers them safely within the stipulated time-period. We use high-quality packaging material to keep products safe during transit.

We are blessed with a highly skilled and experienced team that works in close coordination with the clients for catering to their needs. We have hired the team after stringent assessment of the skills, and talent. They provide round-the-clock solutions of the queries of the clients to fulfill the demands with the best of Power Coating Powder, Powder Coating Gun, Cutting Oil, etc. as per the needs. Further, the team is provided with regular training sessions to enhance their skills.
