About Us

Apsom Infotex Limited values the trust of customers. We make plans and take actions that help us meet the market demands for Dry Dental Milling Machine With Automatic Disc Changer, 5-Axis Dental Milling Machine, ECO Solvent Inkjet Printer, Label Printer, UV Printer Or Cutter, and many other products. As a trader, we procure and sell technology printing products from top-rated brands such as Roland, DGShape, ColorJet, OKI, etc.

Right from the beginning of our trade journey in 1993, we have been getting excellent support from technology-driven senior professionals. With the support of our talented team, we have well established ourselves as a premier supplier of inkjet printers for solvent, eco-solvent, fabric, and UV printers. We want to be known as the first-choice value-added company to get highly advanced printing products from leading global brands. In our journey over the last 25 years of operation, we have served a large number of flagship customers and established ourselves as a leading player in the Indian market.
