

**TEXCARE**<sup>®</sup>

Enhancing Your Products Quality

500MM Swatch Cutter, Ageing Oven, Air Permeability Tester, Atmospheric Beaker Dyeing Machine, Automatic Tensile Strength Machine, Automatic Tensile Testing Machine, BOD Incubator, Baby Box Compression Tester, Baer Sorter, Beasley Balance, Bottle Brust Strength Tester, Bottle Cap Torque Tester, Box Compression Strength Tester, Bundesmann Apparatus, Bursting Strength Checking Machine, etc.

**WRAP REEL**

**MANUAL TWIST TESTER**

**YARN APPEARANCE BOARD WINDER**

## About Us

On account of innovation in structural design & technological advancements in Testing & Measuring Equipment, this instrument segment has become indispensable technology for almost every industry. We, Texcare Instruments are dedicatedly meeting the requirements of these instruments through a substantial range of Tensile Testing Machine, Digital Tensile Testing Machine, Bond Strength Tester, Plastic Strength Tester, Yarn Testing Equipment, Fabric Testing Equipment, Lab Dyeing Machines, Automotive Testing Equipment, Leather and Footwear Testing Equipment which offer the veritably accurate measurement for strain and strength of the textile. All these machines are developed according to the industry recommended standards and guidelines.

When it comes to digital tensile strength tester & Bursting Strength Tester, then TEXCARE is the only brand to trust. We are an exporter, manufacturer, supplier of "TEXCARE" Tensile Strength Tester, Bursting Strength Tester, Colour Matching Cabinet, High Temperature Oven and other testing equipment apart from color fastness equipment and lab dyeing equipment. Our tensile strength tester has an aluminium alloy load frame, Universal Testing Machine, small footprint design, very high overload capability of load cells, and completely digital testing system. Its not one attribute, but many features that make our products best in the market.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	tensile strength tester,tensile tester,digital tensile tester,digital tensile strength tester,hydraulic tensile tester,analogue tensile testing machine,digital tensile testing machine,computerized tensile testing machine,computerized universal testing machine,tensile testing services
<b>No of Staff</b>	25
<b>Year of Establishment</b>	2010
<b>OEM Service Provided</b>	No
<b>Memberships</b>	Textile Association of India
<b>ProductRange</b>	tensile strength tester,tensile tester,digital tensile tester,digital tensile strength tester,hydraulic tensile tester,analogue tensile testing machine,digital tensile testing machine,computerized tensile testing machine,computerized universal testing machine,tensile testing services

## Our Products

**Yarn Tension Meter**

**Baer Sorter**

**Beasley Balance**

**Electronic Twist Tester**

**Projection Microscope**

**Package Hardness Tester**

**Microprocessor Based Twist Tester**

**Twist Tester Motorised**

**Splice Strength Tester**

**Trash Analyser**

**Garment Testing Instruments**

**Wrap Reel Motorised**

**Manual Wrap Reel**

**Cheese Collapse Tester**

**Lea Strength Tester**

**Yarn Strength Tester**

**TEXCARE INSTRUMENTS LIMITED**  
AN ISO 9001-2015 & CE CERTIFIED COMPANY

**TEXCARE  
INSTRUMENTS**  
ISO 9001:2015 & CE Certified Co.
