About Us

The ever-changing fashion trends have provided a plethora of choices in the apparel industry and the demand for such clothing items is on the upswing. We, Preziosa Fashion started our business operations in the year 2015 with an aim of meeting the demands for apparels. Since a long time, we have grown in prominence as a manufacturer, supplier, trader and wholesaler of various trendy and fashionable apparels. All of our products, including Men Full Sleeve Printed T-Shirts, Mens Black Sport Tracksuit, Mens Regular Fit Denim Jeans, Mens 4 Way Lycra Track Pants, Mens Full Sleeve Cotton Check Shirts, Mens Dotted Print Shirts, etc., are made with the highest quality fabric. Our apparels stands out from the crowd because of their comfortable fit, long-lasting fabric, trendy style & legitimate pricing.

As a business that produces a variety of garments, we, Preziosa Fashion are constantly studying market dynamics and developing trendy and fashionable designs. After finalizing the pattern, we produce the apparels in our production plant, which include Mens Full Sleeve Designer Print Shirts, Mens Sports Track Pants, Mens Regular Fit Jeans, Mens Designer Print Shorts, Mens Round Neck Lycra T-Shirts, Mens Cotton Kurta and many others. We inspect every strand of clothing for excellence after a successful production. Each of these procedures are well handled in our facility, situated in the city of Surat, Gujarat, India. Furthermore, we are directed by our mentor, Mr. Meghal, who is working hard to take the business to greater heights of the market.
