About Us

Textile industry is the second largest organized sector of India that generates high employment in the field of both skilled and unskilled labors. Realizing the business opportunity in this sector, we Adarsh Synthetics Pvt. Ltd. started our venture as a reliable manufacturer, supplier of various fabrics for corporate, school, defense and hospital uniforms. Our product range includes School Uniform Fabrics, Uniform Fabrics, School Uniform Fabrics, Corporate Uniform Fabrics, Work Wear Fabric, Hotel Uniform Fabric, Hospital Uniform Fabric, Housekeeping Uniform Fabrics, Police Uniform Fabric, and many more. All these uniforms are known for high tear resistance, color fastness, skin-friendliness, and resistance against shrinkage.

We have sound infrastructural facilities for making the fabrics as per international norms and standards. Each fabric piece is thoroughly checked on several quality parameters before dispatch. We have individual functional units for fabric designing, production, dying, finishing, quality assurance & research & development. All our Fabrics are made up of superior quality yarn procured from Asia's leading spinning mills to give flawless experience to all our buyers. We understand the value of service in UNIFORM INDUSTRY & we try hard to achieve the higher satisfaction in minds of our customers. We have experienced teams of professionals and this helps us to carry out our business process in an efficient manner. We organize various workshops as well training sessions to keep our employees upgraded of recent industrial development as well as innovations.
